

October 25, 1960

Dr. Aaron Novick
Institute of Molecular Biology
University of Oregon
Eugene, Oregon

Dear Doctor Novick:

The President Hotel, University Avenue and Cowper (Davenport 3-4171) is holding a single reservation for you for Friday and Saturday nights, October 28 and 29. I didn't know just how long you intended to stay at Stanford and if you don't intend to remain until Sunday will you please inform the room clerk when you check in that you will not use the Saturday reservation. Varian Associates is having a huge convention just that weekend and rooms are scarce.

Limousine service from the San Francisco Airport will take you directly to the President Hotel.

Yours sincerely,

(Mrs.) Jo Holsti
Secretary to
Joshua Lederberg
